- Utilized **Tailwind CSS** for rapid development, **increasing development efficiency**.

## EDUCATION

<b>Thadomal Shahani Engineering College (TSEC)</b> Bachelor of Engineering in Information Technology	<b>CGPA: 9.11/10</b>	<b>2022 - 2025</b>
<b>Veermata Jijabai Technological Institute (VJTI)</b> Diploma in Civil Engineering	<b>93.47%</b>	<b>2019 - 2022</b>
<b>Parle Tilak Vidyalaya English Medium School (PTV)</b> Secondary School of Education	<b>95.20%</b>	<b>2018 - 2019</b>

## SKILLS

- **Frontend:** HTML, CSS, JS, React, Tailwind CSS, Typescript, Flask
- **Database:** MySQL, MongoDB
- **Languages:** C, Java, Python, PHP
- **Platforms:** Github, AWS
- **Softwares:** AutoCAD

## PROJECTS

### HEALTH BRIDGE | ERR\_404 5.0 HACKATHON Mar 2023

HTML, CSS, Javascript, SQLite, Flask, OCR

- HealthBridge is a web-based Electronic Health Record (EHR) system that utilizes Optical Character Recognition (OCR) and AI/ML technology to extract medicine names from uploaded prescriptions.
- The system also provides medication suggestions based on patient medical reports.
- It aims to assist healthcare providers in making informed decisions by leveraging patient history, ultimately leading to better care outcomes.

### FITRIGHT | WEBSITE FOR FASTNERS June 2023

React JavaScript, Node.js, Express, MongoDB

- FitRight is an already existing offline nuts & bolts business. This project helps in creating an online platform for FitRight thus expanding its customer base from just B2B to B2B and B2C.
- FigRight is an e-commerce platform where users (retailers and wholesalers) can shop for fasteners and place orders in an hassle free manner.

### MENSTRU EASE | IIT KANPUR HACKATHON Nov 2023

React JavaScript, Flask, MongoDB

- MenstruEase is a web application dedicated to empowering individuals to take control of their menstrual health and hygiene.
- Users can book appointments, store their reports and documents and also purchase sanitary items from the e-commerce store

## CERTIFICATIONS AND CO-CURRICULUM ACTIVITIES

<b>First place winner in ERR_404 5.0</b>   36 hr Inter College Hackathon	<b>2023</b>
<b>First place winner in Technocratz</b>   State Level Paper Presentation	<b>2022</b>
<b>Volunteer at NSS-TSEC</b>   Completed 120 hrs of Social Service	<b>2023-2024</b>
<b>Senior Committee Member for CodeTantra</b>   Technical Team	<b>2023-2024</b>
<b>Six Sigma White Belt</b>   Council for Six Sigma Certification	<b>2020</b>
<b>MySQL Training</b>   W3 Schools	<b>2023</b>
